HIGH-RISK SITUATIONS

Total commitment to the Golden Rules

YOU MUST:

- Assess all risks prior to the start of non-routine or complex operations or in downgraded situations.
- Report all downgraded situations to management, monitor them, take appropriate measures to mitigate the risks and formally notify the personnel concerned.
- Follow start-up and shutdown procedures and check progress.

YOU MUST NOT:

- Smoke outside designated areas.
- Work or drive under the influence of alcohol.
- Work or drive under the influence of drugs.
